ধন্যবাদ !
Thanks are due to several people.

বর্দা Barda (Dr. Avijit Das)
For the initial inspiration (his bwedit package),
many, many suggestions and a lot of moral support.

তানিম Taneem
For encouragement and bits of advice and for
pointing out the QT toolbox.

প্রজ্ঞা Progga
For encouragement, and for patiently going through
the help.txt file and suggesting corrections.
